

SOCIETY OF CAMBRIDGESHIRE AREA GOLF CAPTAINS

Founded 1965

21 December 2020

Dear Members,

Well that has been a year nobody expected! And just when we think Covid 19 is under control, like all disaster films, Covid 19 – The Sequel, comes along.

Has anybody else found it difficult to self-motivate as far as golf is concerned? Somehow, it just does not seem the same with the limited socialising we are allowed and, whilst important in the extreme, the wearing of face covering is not the best of ways for face to face communications.

Nevertheless, we will soldier on in 2021. Brexit will be sorted; Steve Bray has left Westminster's College Green and hung up his megaphone; Donald Trump will be replaced as President, even if he refuses to leave the White House; the vaccine for Covid 19 is now being distributed and we shall all meet up again for golf. What will the papers find to write about?

You will all be aware that it was not possible for us all to gather for the 2020 AGM in October and the Committee felt it should be postponed until we were more aware as to how the fight against this pandemic was progressing. Presently, it is looking like April 2021 will be the earliest before we can get together for this event. The Committee will keep monitoring the situation and you will be notified in due course. Thinking ahead, the 2021 Tankards and AGM will be held at saffron Walden Golf Club on Thursday 7th October 2021.

With still such uncertainty during spring, the Committee agreed that it would be prudent to postpone the annual dinner in March 2021. Currently, a booking has been made with Gog Magog Golf Club to hold the annual dinner on Friday 1st October 2021. We will all keep our fingers crossed.

Finally, on behalf of myself and the Committee, we wish you and your family a safe and happy Christmas and trust we can all look forward to meeting up again at the earliest opportunity in 2021.

For now, keep safe and keep healthy.

With very best wishes.

Malcolm Knobel-Forbes - Captain
